When we have finished that book, we will read and discuss a variety of other books about the Orthodox Faith and spirituality.

All are invited.

Water for Turkana

The *Orthodox Christian Mission Center* is raising funds to help provide clean water for the Orthodox people of the Turkana tribe in the desert of northern Kenya. The money raised will be used not only to drill "bore holes" (very deep wells) in one or two of their villages, but also to make sure that the bore holes can be repaired if and when they fail.

During the month of October, our **Charity Collection** has been designated to support this worthy effort.

For the month of October we will be collecting to help provide water for the Turkana people of Kenya.
