January 1, 2010
Saint the Basil the Great

Dear Father Sergei,

This letter is to inform you and your parish council that your pastorate of St. George in Trumbull Connecticut shall terminate on January 3, 2010 following the Divine Liturgy and you will then be attached to Saint George Cathedral in Boston.

I wish to express my personal thanks on behalf of the Archdiocese and the parish community for your exemplary pastorate over the past two decades, serving with love, care and dedication not only to your local parish community but to the local Trumbull community as well as the Albanian community both here and abroad.

Your representation on the Archdiocesan level serving in numerous capacities, especially although not limited to the Metropolitan Council of the OCA exhibited sensitivity to both the national church needs as well as the needs of the ethnic diocese of the OCA.

I know that Fr. Liolin is happy and honored to have you attached to the cathedral and you are most certainly welcome to serve wherever you are invited.

Be assured of my continued prayers during the New Year for you, your family and the parish community of St. George.

With my Blessings,

+ Nikon
