

## Instructions to install the St. George PWA (App) shortcut on your Android mobile device

Open up Chrome (Google's browser)  on your device.

In the Chrome address bar, type in the St. George website URL (the website address on the Worldwide Web) - type in: **stgeorgetrumbull.org**

Chrome should recommend our website name,: **Home/ St. George Orthodox Church** or **stgeorgetrumbull.org**. Select one of these recommendations.

The St. George website should open up to it's Home page.

Click onto the Menu in the upper-right corner of the screen. The Menu graphic likely will be 3 dots or 3 hypens stacked vertically.

Look for the **Add to Home Screen** option – tap onto it to install the PWA.

The St. George PWA icon or tile should appear on your Home page. The PWA shows a photo of the Cross on top of the church, with the **StG Trumbull** label underneath.

Touch the PWA icon and it should open up to St. George's website home page.
